- Author:** **Daniel Ochieng Orwenjo**
Institutional Affiliation: The Technical University of Kenya
Current status: Senior Lecturer
Mailing Address: Department of Language and Communication Studies, The Technical University of Kenya
Email Address: orwenjo@daad-alumi.de
Bio Statement: **Daniel Ochieng Orwenjo** holds a Doctor of Philosophy (PhD) from the University of Frankfurt in Germany (2009), a Master of Arts in Applied Linguistics from Kenyatta University, Kenya (2004) and Bachelor of Education degree from Kenyatta University, Kenya. As an applied linguist, his main research interests revolve around the nexus between linguistics and other disciplines by focusing on the application of linguistic knowledge in solving real life problems in other disciplines such as education, law, anthropology, sociology and psychology on one hand; and using knowledge in these disciplines to solve linguistic problems on the other hand. Presently, his research focuses on early literacies practices and environments that preschool children are exposed to in western Kenya

and how such exposure impacts on their literacy development at their onset of schooling.
